

MASTER FISH WARDEN KELLY HAS RESIGNED

Portland, Feb. 23.—Master Fish Warden H. L. Kelly tendered his resignation at a special meeting of the state fish and game commission today. Recent friction between him and members of the commission was the cause. Kelly's resignation was accepted and it is probable that his office will be abolished. In that case his work will be divided between Carl D. Shoemaker, state game and fish warden, and R. E. Clanton, superintendent of hatcheries.

Backache Just Like a Toothache!

Dear Mr. Editor—Sometime ago I had backache very bad; it would ache just like a toothache. I tried a new discovery of Doctor Pierce's, called "Anuric." This is for kidneys and backache. I soon felt relieved of all backache and had no more pain, and I hope others troubled in the same way will try this wonderful new remedy.

Yours sincerely,
Mrs. LINCOLN STEARNS.

NOTE: It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anuric," has been discovered by Dr. Pierce, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anuric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues. Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has been testing this wonderful medicine for the relief of over-worked and weakened kidneys. The relief obtained by sufferers has been so satisfactory that he determined to place "Anuric" with the principal druggists in town where people could get this ready-to-use medicine. "Anuric" is not harmful or poisonous, but aids nature in throwing off those poisons within the body which cause so much suffering, pain and misery. Scientists assert this remedy is 87 times more potent than lithia.

For Diabetes and Bright's Disease this remedy is building up a reputation as good as Dr. Pierce's other well-known medicines which have been proven reliable during nearly fifty years, such as Doctor Pierce's Favorite Prescription for the use of women, Doctor Pierce's Pleasant Pellets, the liver regulator, and Doctor Pierce's Golden Medical Discovery for red blood.

J. H. Demaray Will Return the Money If Mi-o-na Does not Relieve Dyspepsia

Among all the remedies in C. H. Demaray's popular drug store there are few that he is willing to sell on a guarantee to refund the money if they do not cure.

Mi-o-na, the famous dyspepsia remedy, has helped so many of his customers that he says "If this remedy does not relieve you, come back to my store and I will cheerfully return your money."

Anyone who has dyspepsia, indigestion, headaches, dizzy feelings or liver troubles should take advantage of this chance to be made well without risk of spending their money to no purpose. Mi-o-na will relieve you, will regulate the digestion, will enable you to eat what you want. If it does not do all this it will not cost you a cent.

C. H. Demaray has sold hundreds of boxes of Mi-o-na and has yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy.

Do not suffer a day longer with disordered digestion. If Mi-o-na does not give you complete satisfaction you have C. H. Demaray's personal guarantee to return your money.
